

GUIDED BIRD HIKE

Sundays, June 10th & 24th

8115 Parkglen Drive, Fountain, CO

Time: 7:00—8:30 am

Join Naturalist and Birding Guide David Rudin for a guided outing at Cross Creek Park. June is a great time for birding, as songbirds are singing to defend territories. These sessions will focus on learning some of the common songs of birds as well as identifying them using binoculars. A few loaner pairs of binoculars will be available for those who need them. Sun hats, sunscreen, water and bug spray are all good ideas to bring along. Meet at the pavilion by 6:45 so we can start at 7:00 am.

There is no charge for these events. Numbers are limited to 12 people for each outing, and RSVP is required: dbrudin@yahoo.com

(this activity is best suited for adults and older kids)
